. . . Can you see yourself in  
THE SEASONS  
Can you understand the need  
to carry on . . .  
So many ways and oh so many things  
Rejoicing in the differences,  
there's no one just like me  
Yet as different as we are  
we're still the same . . .

John Denver

# Autumn

Reflection on the water like shadows  
on my mind  
Speak to me of passing days and nights  
and passing time . . .

It seems a shame to see  
September swallowed by the wind . . .  
If it were mine to make the change,  
I think I'd let it be.

# Winter

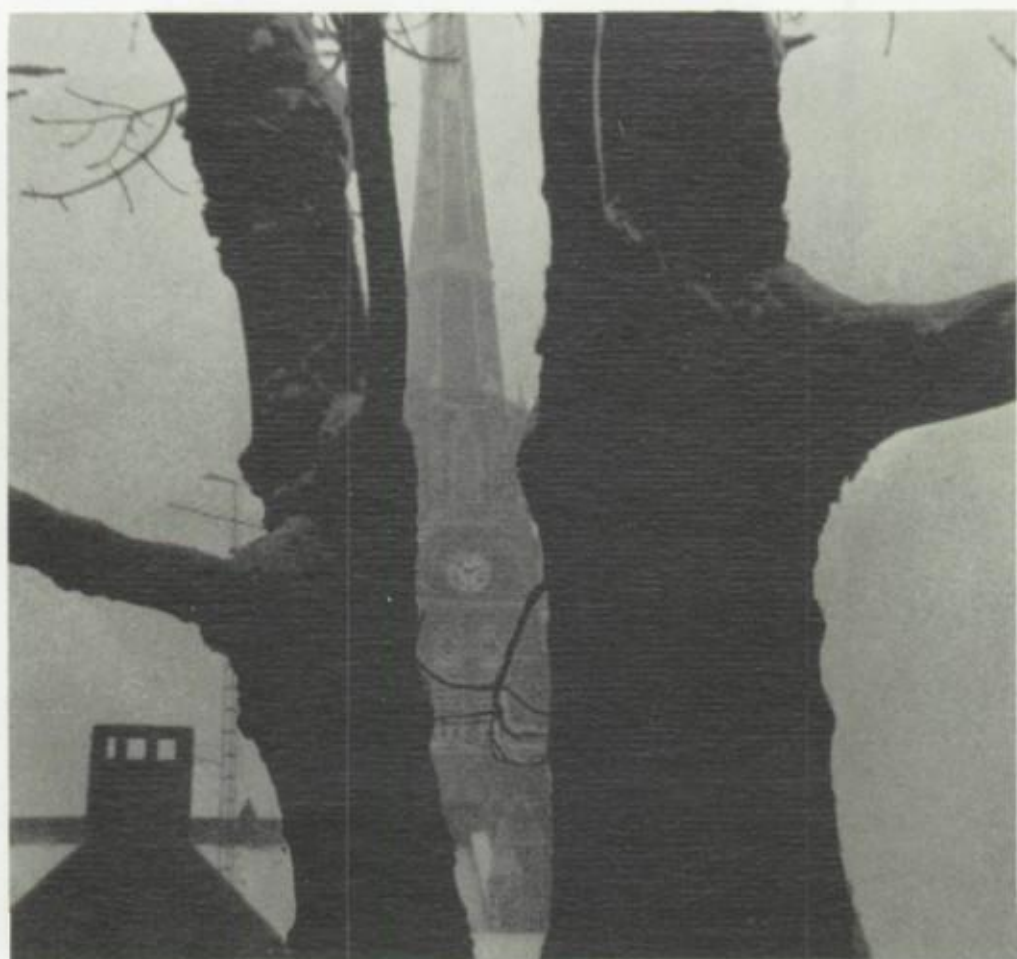

It's cold and getting colder . . .  
I must be getting older . . .

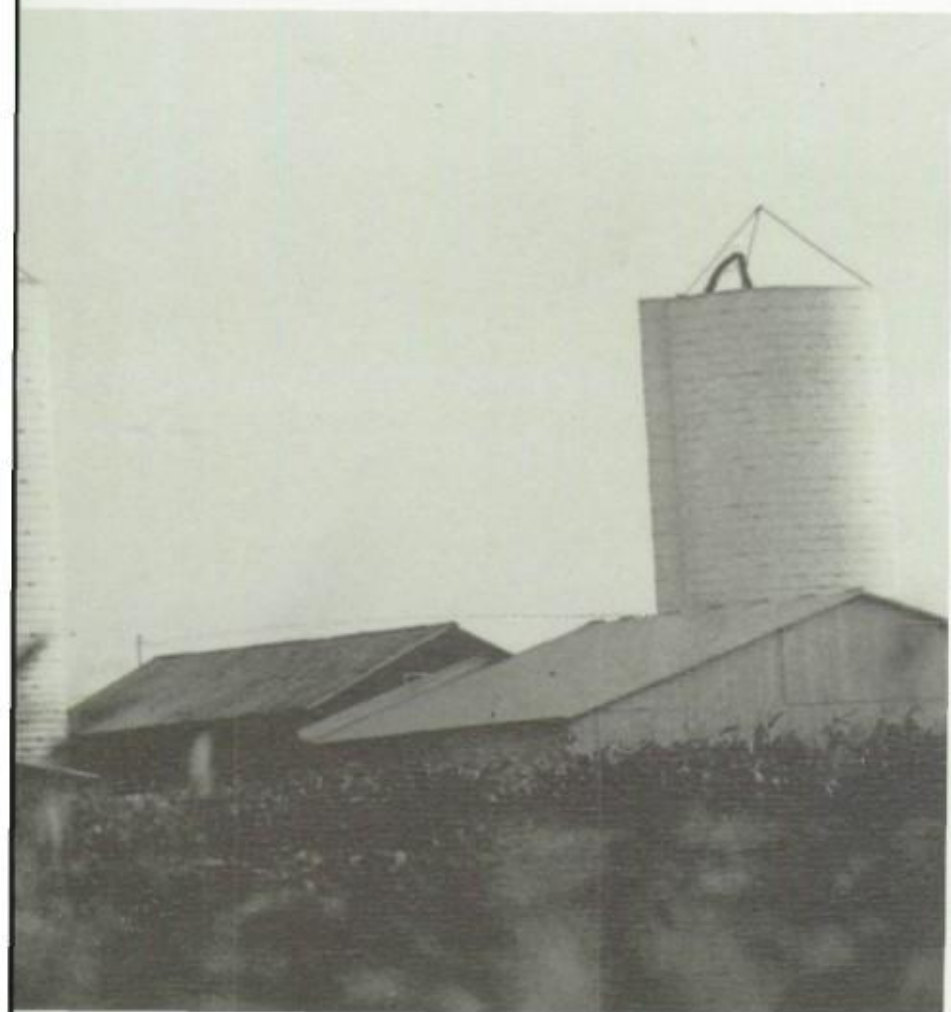

Sometimes I just don't feel like goin' on  
And yet I know it's more than worth the waiting . . .

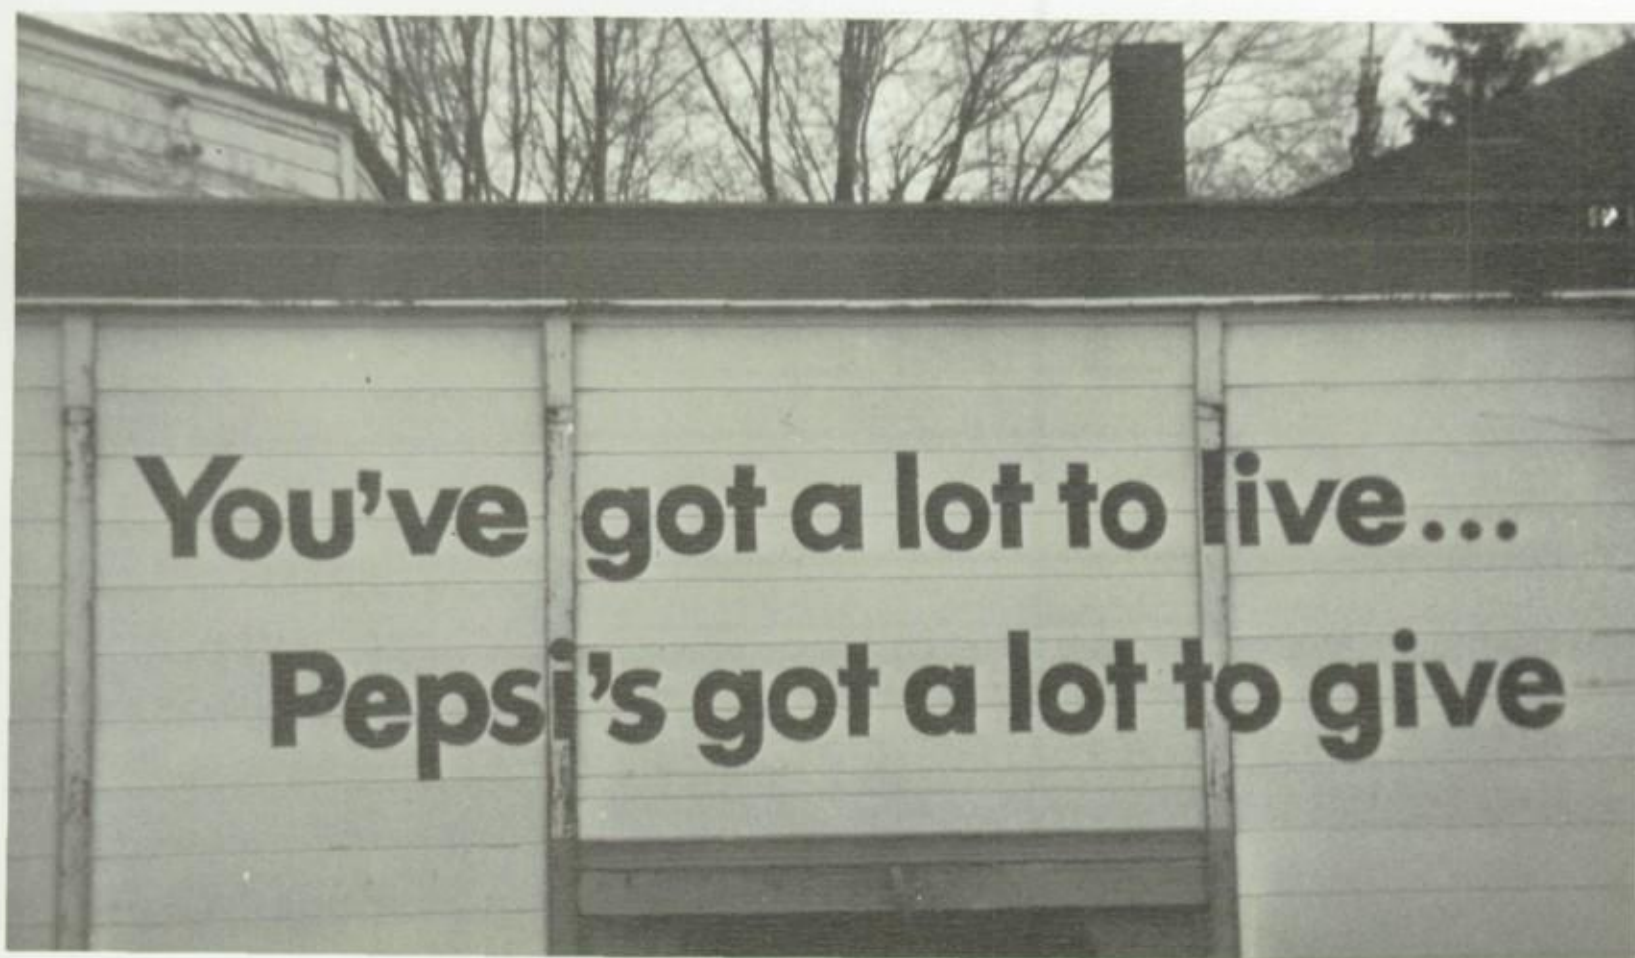

Open up your eyes and see . . .

Open up your mind and let the light come in . . .

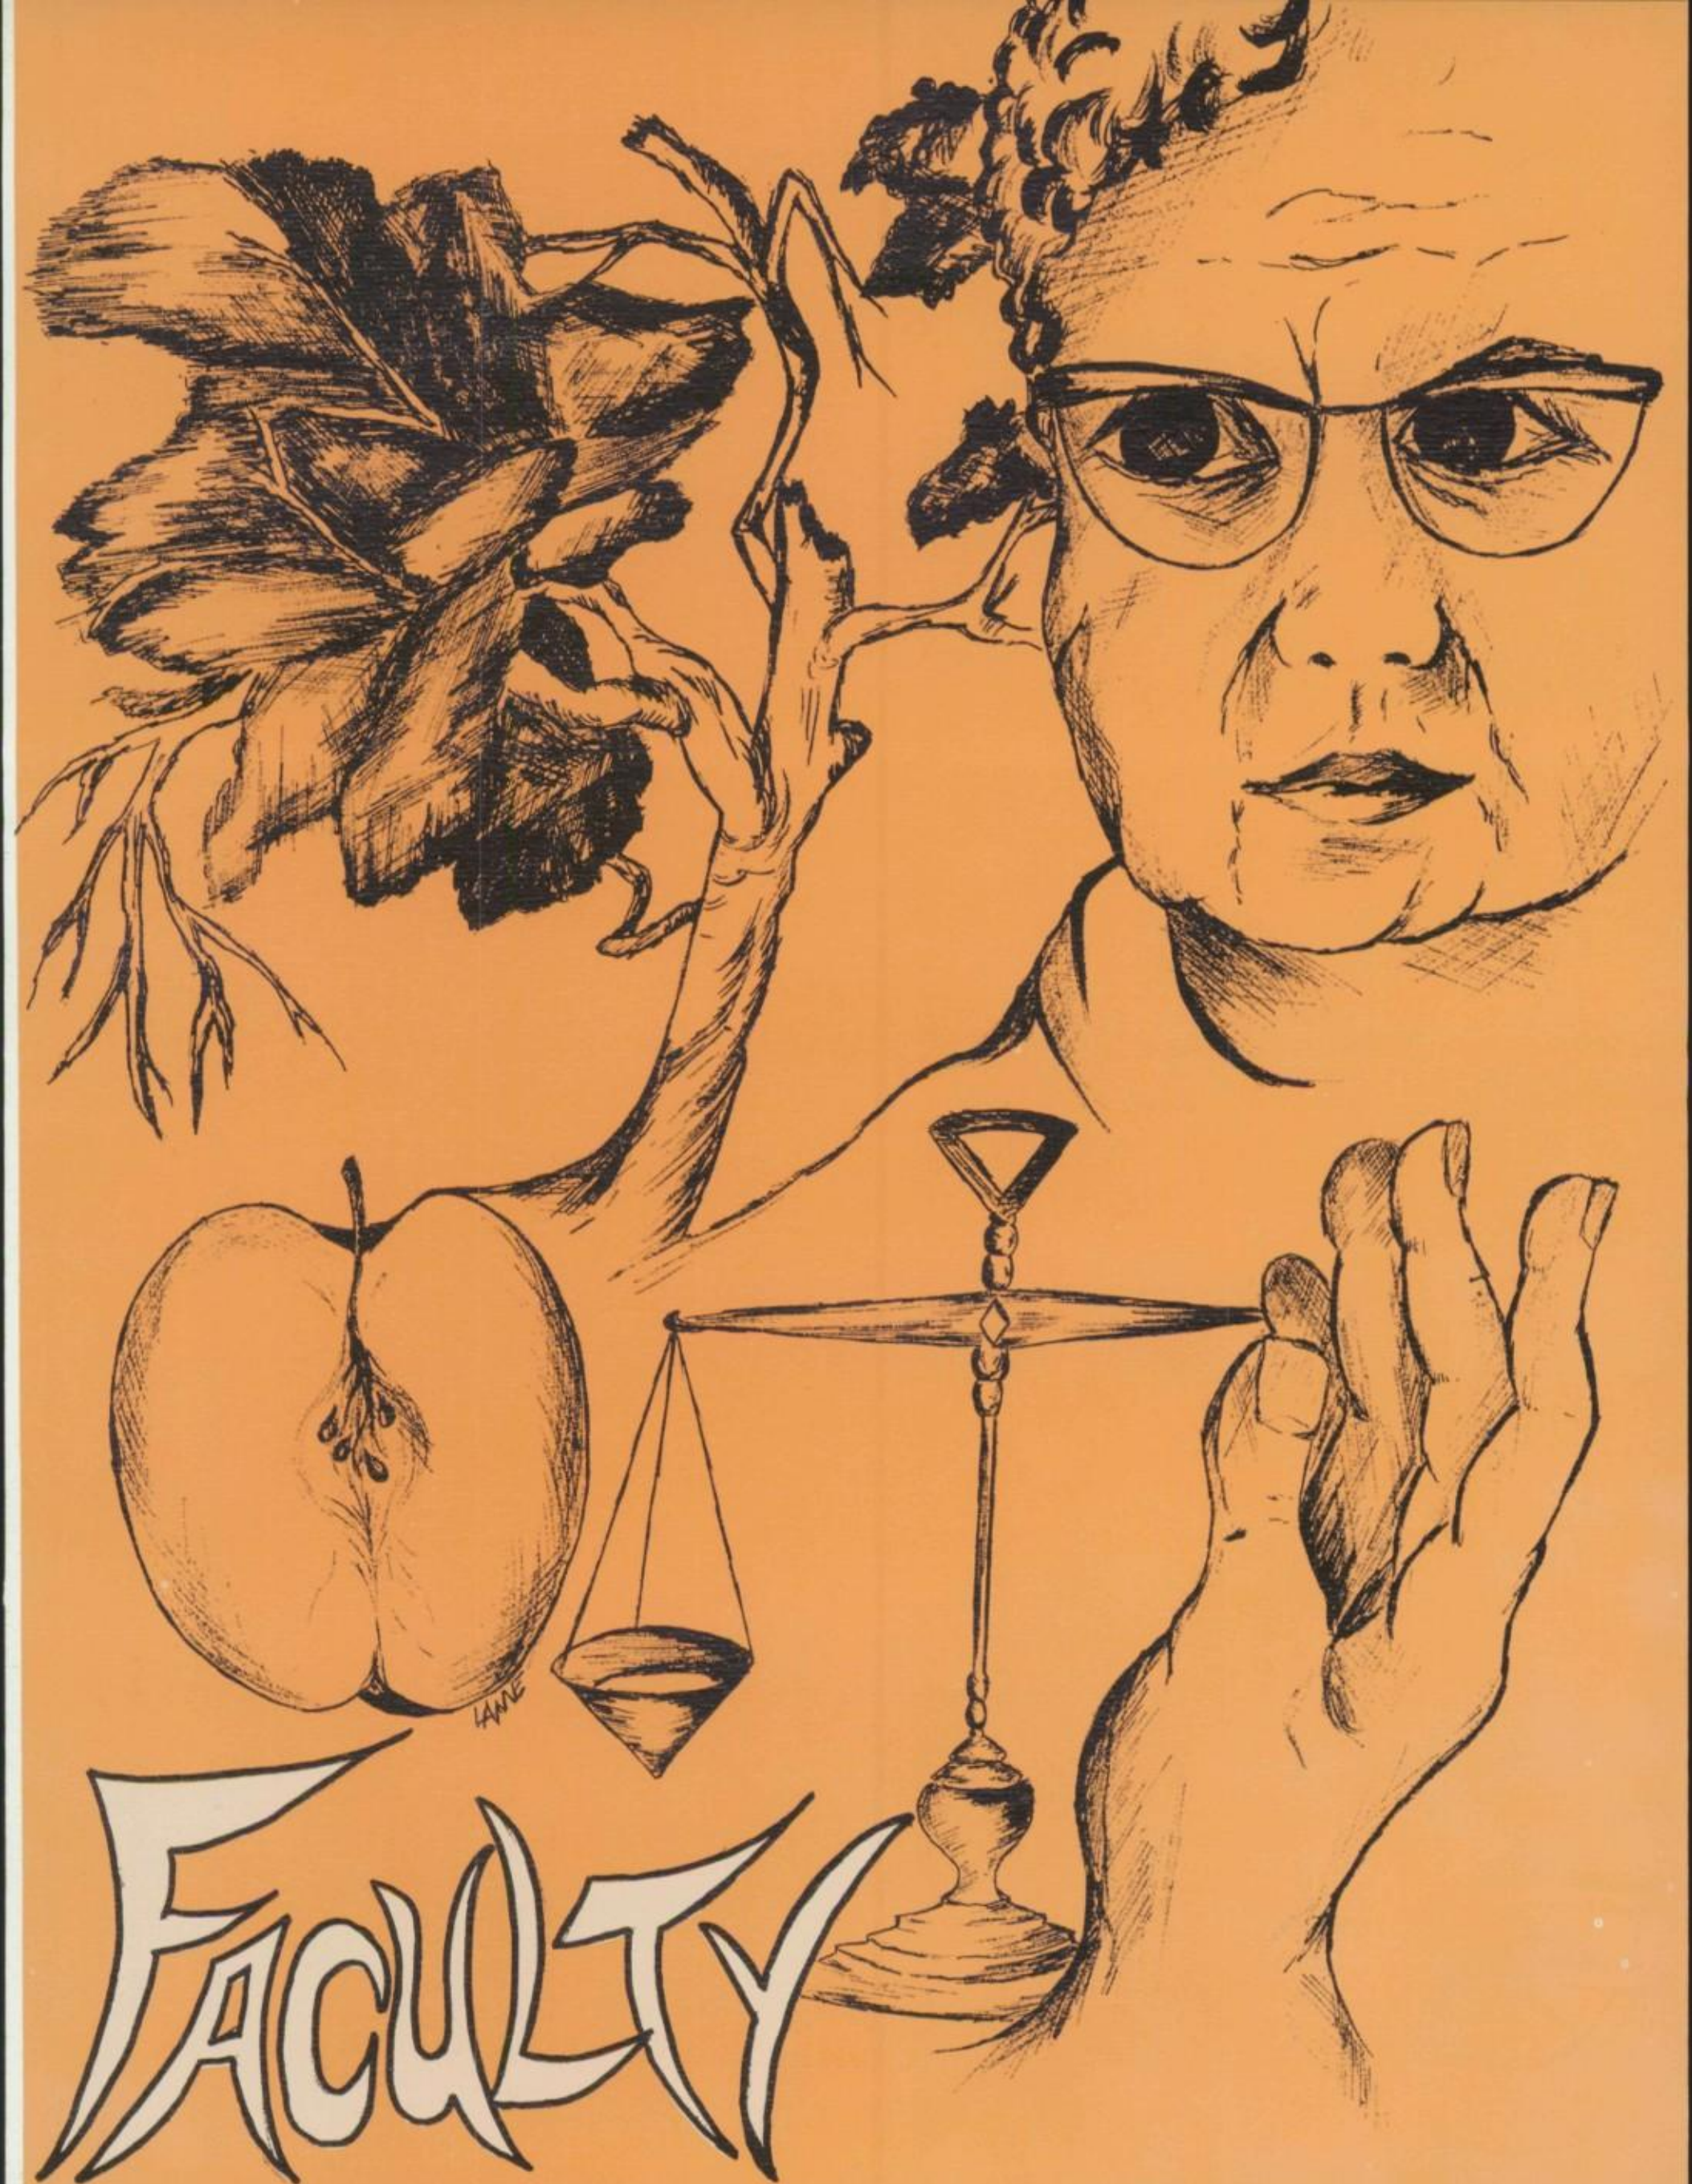

And life goes on . . .

## Tribute To Teachers

Four years ago  
As we entered school  
We looked with envy  
Upon the upperclassmen . . .

Mrs. Walter Sneider

Mr. Walter Sneider

Mr. Stephen Beier

. . . Their goal seemed so near  
While ours seemed almost  
An impossibility  
Yet today  
After what seems  
Such a short time  
We have gained the goal  
But not by ourselves  
That would have been  
Inconceivable.

We have reached our goal  
 But with the untiring efforts

 In our path to success  
 Our teachers have inspired us with  
 Hope  
 Courage  
 And faith  
 When most needed

Lean On Me

Some time in our lives  
We all have pain  
We all have sorrow.  
But, if we are wise  
We know that there's  
Always tomorrow.

Lean on me  
When you're not strong  
I'll be your friend  
I'll help you carry on  
For it won't be long  
Till I'm gonna need  
Somebody to lean on.

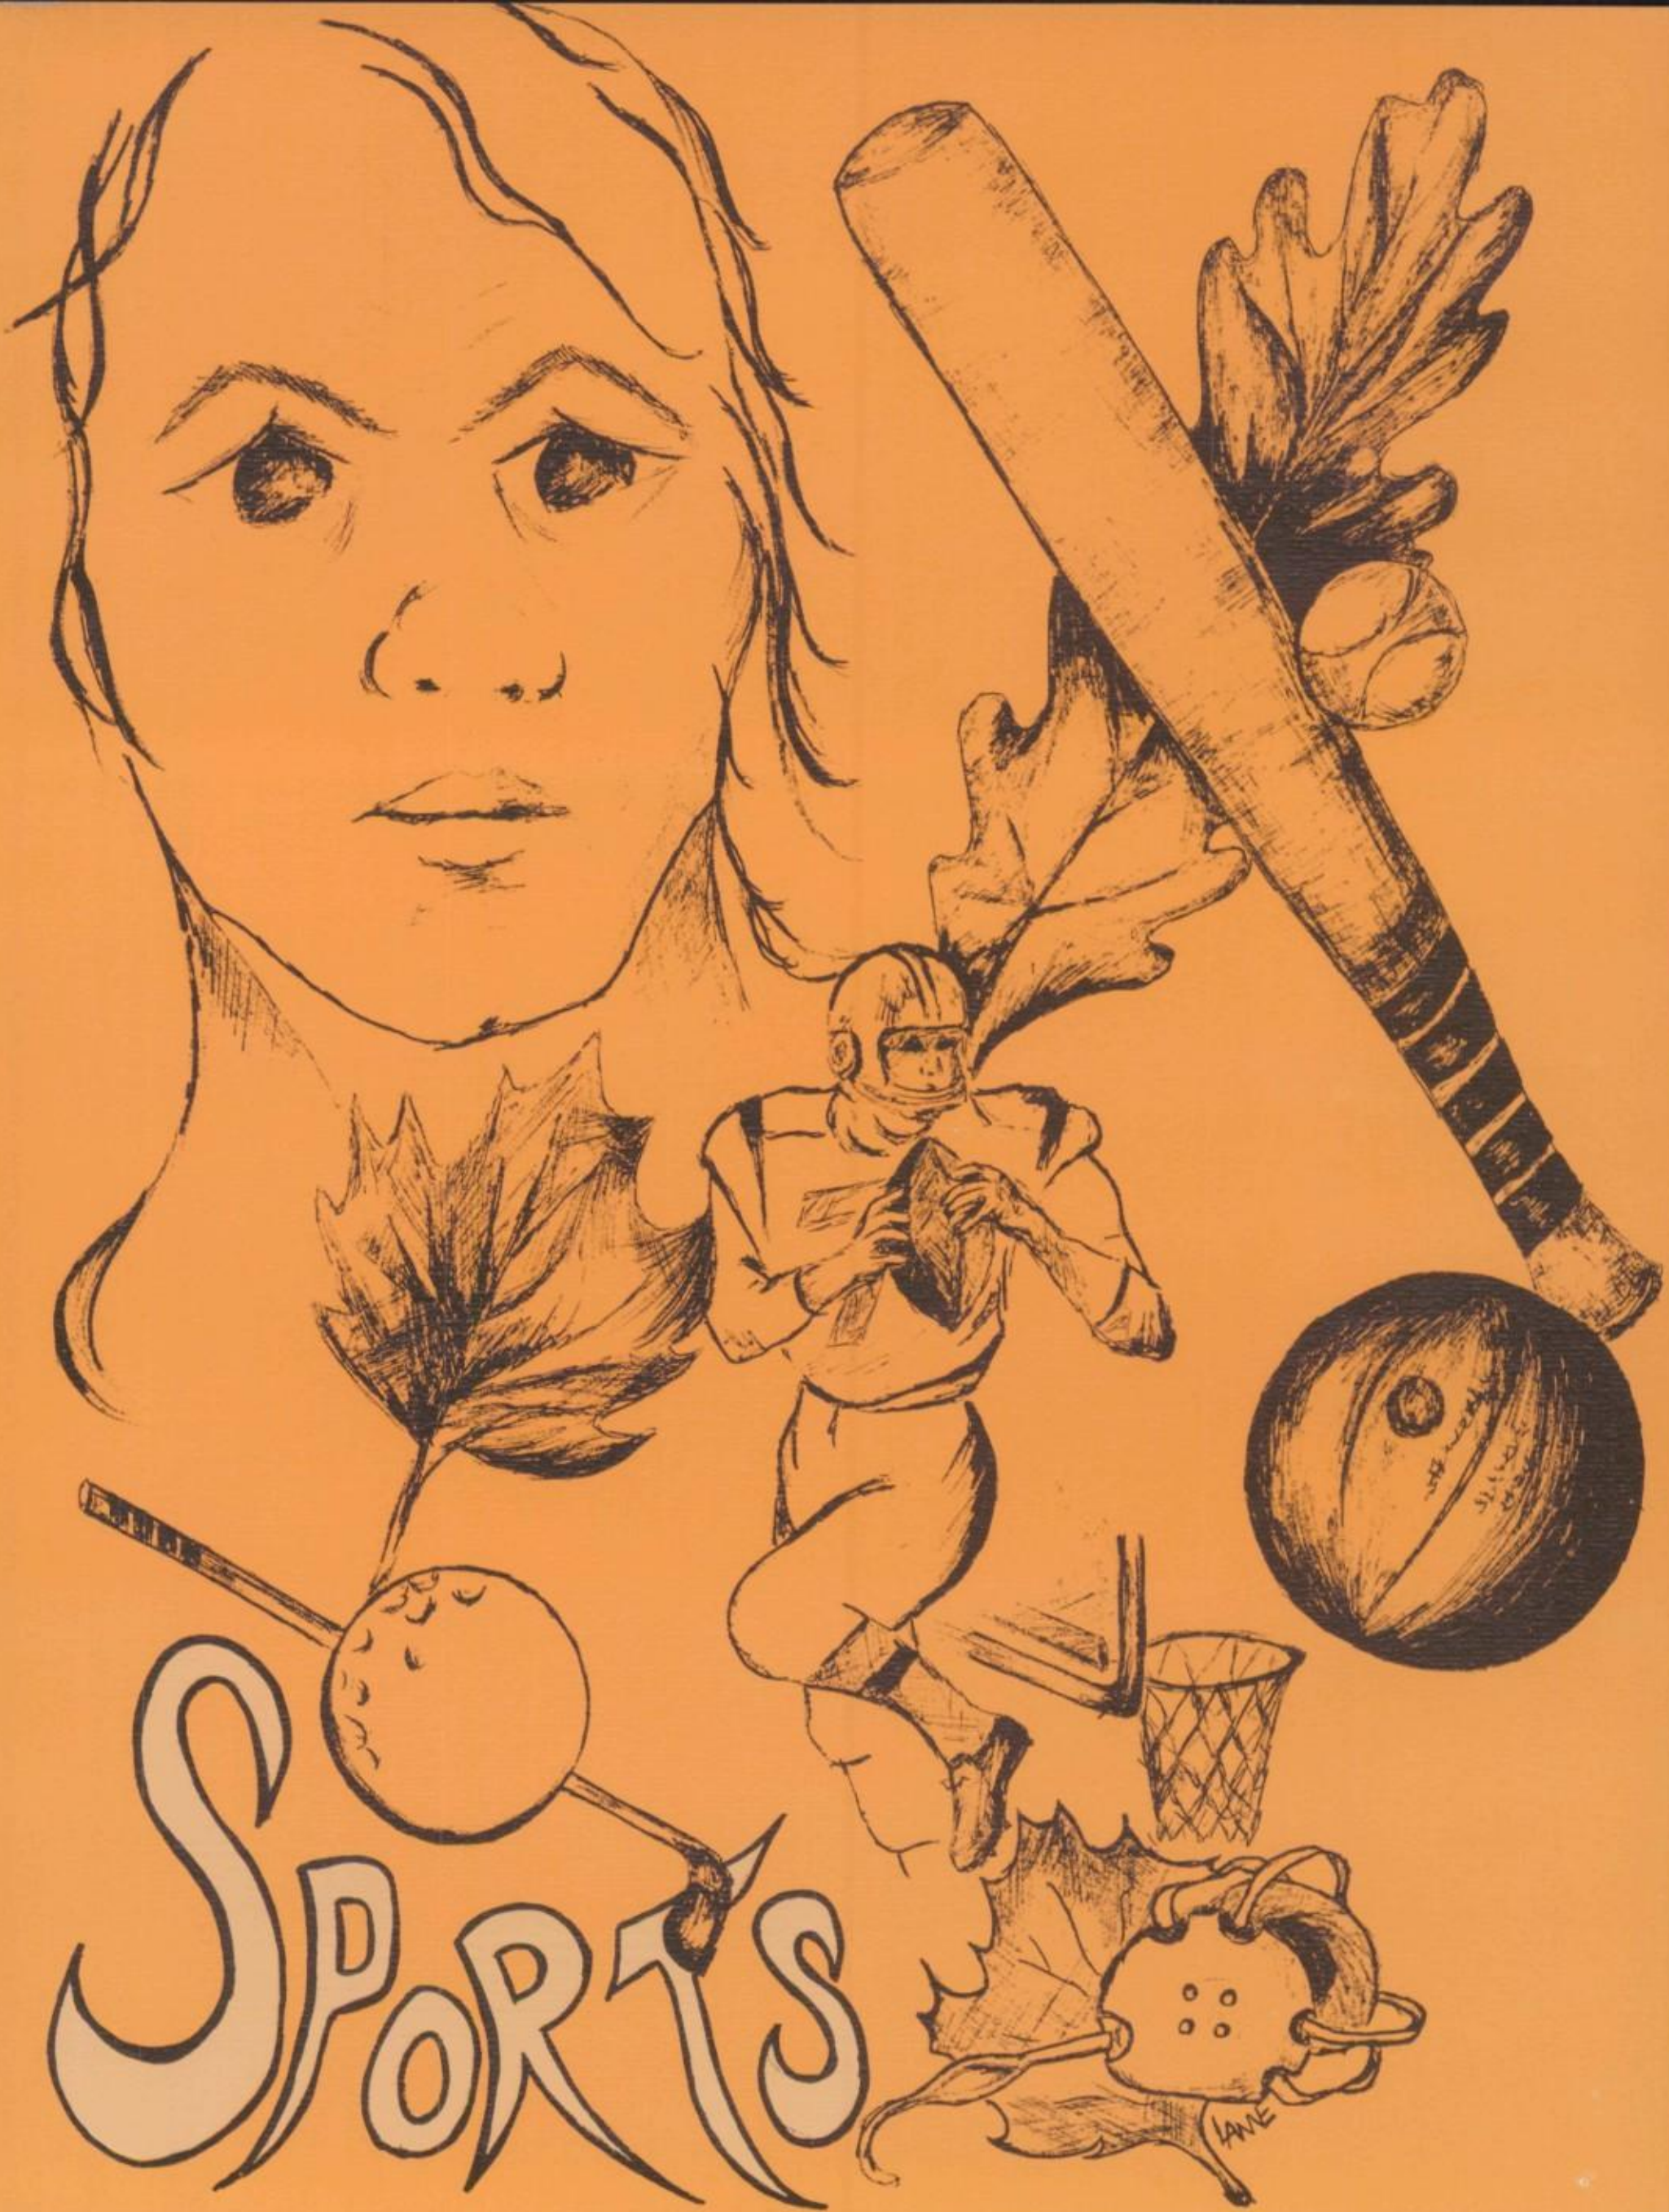

If there is a load  
You have to bear  
That you can't carry  
I'm right up the road  
I'll share your load  
If you just call me.

**And a time for us all**

# Girl's Basketball

▲ A

▲ B

1973 saw the beginning of a girls basketball team here at St. Joe. With the help of a fine coach, Karen Wolf, the team proved itself to be spirited and hard-working, with a "never-say-die" attitude. They gave the other teams a good competitive run, considering all the others had several years of experience behind them. The varsity

record was 1-6. The reserves did slightly better with a record of 3-2, losing only to Clyde and Huron. There seems to be a good outlook for next year's team with a year of experience under their belts.

The sun is coming . . .

Summer

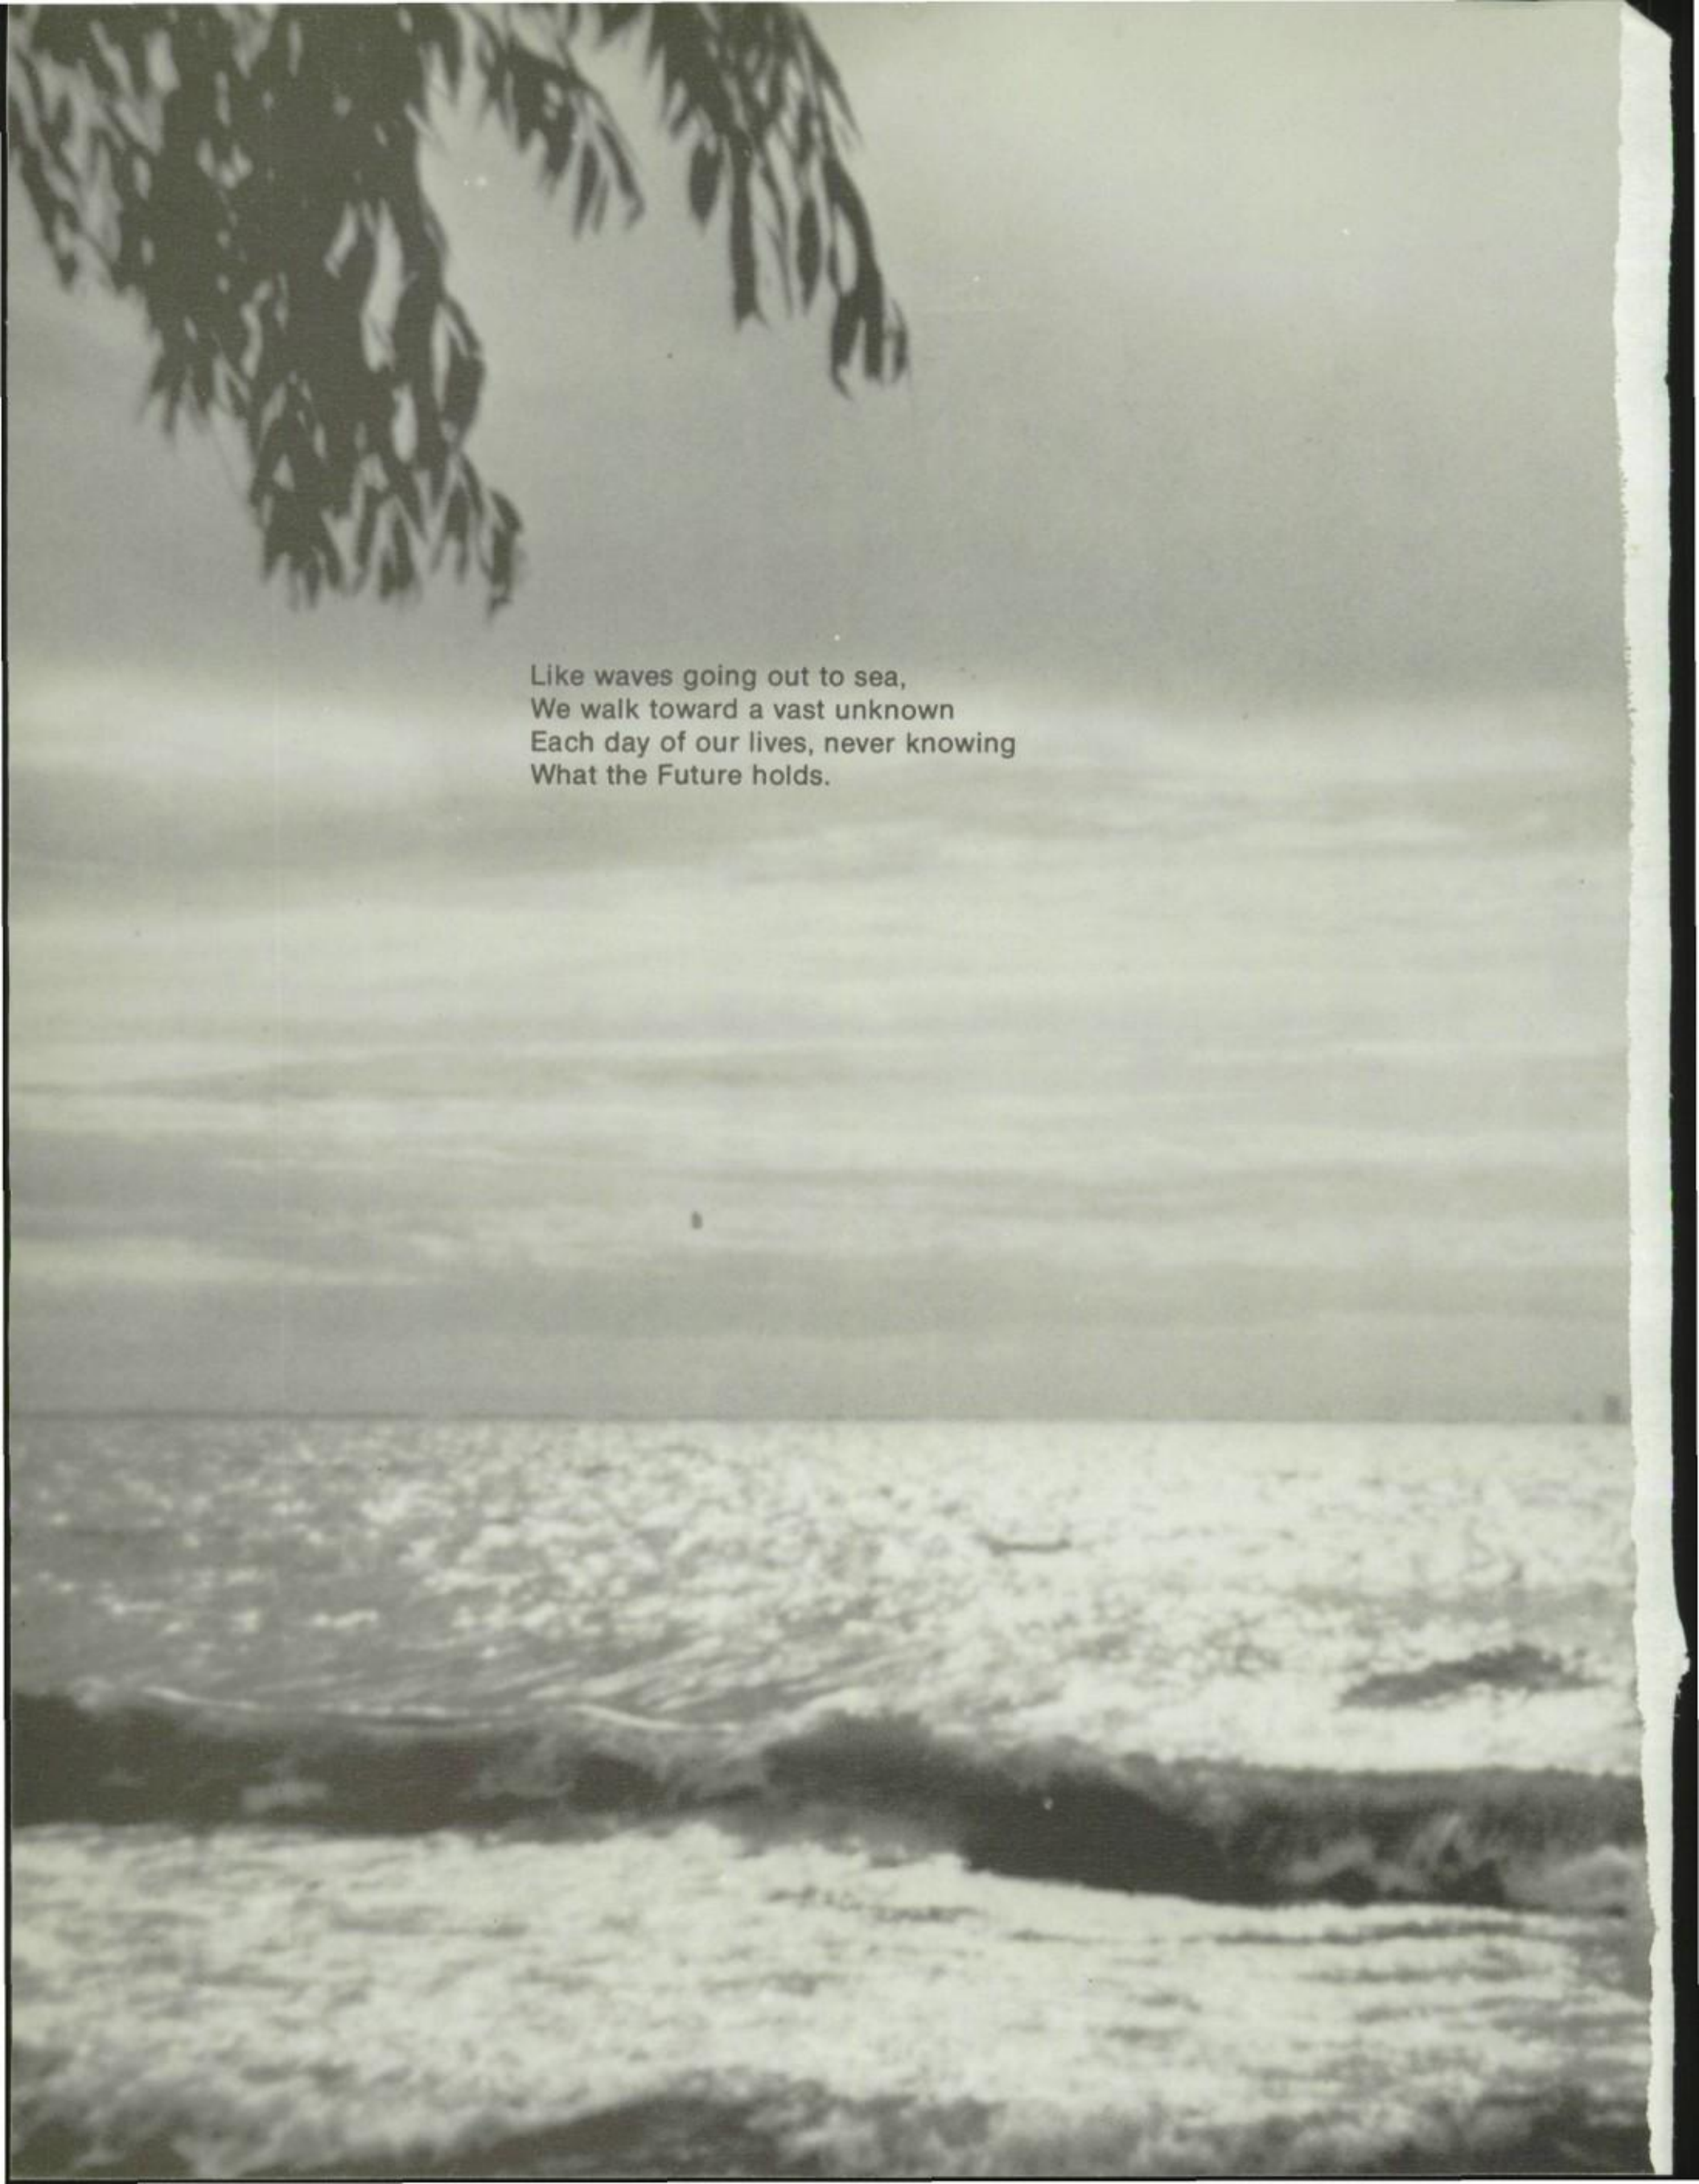

Smiling like a superstar . . . . .  
by John Denver

A black and white photograph of a seascape. In the foreground, there are waves with white foam. The middle ground shows a calm sea extending to a distant, hazy horizon. In the upper left corner, the dark, silhouetted shadow of a palm frond hangs down. The overall tone is contemplative and serene.

Like waves going out to sea,  
We walk toward a vast unknown  
Each day of our lives, never knowing  
What the Future holds.
